PETITION TO WITHDRAW HOLDING OF ABANDONMENT

On Feb. 29, 2006 I responded to correspondence with Mr. Randall Chin with the Commissioner for Patents with regards to amendments to my application for patent (which was within the allotted time of 90 days).

On June 13, 2006, I received a notice of abandonment on my application. I called Mr. Chin immediately to inquire about this and he informed me that his office never received my information.

Per his instructions, I am writing to petition to withdraw holding of abandonment per 37 CFR 1.8(b).

I have enclosed a printout of the postage meter usage for sending the corrected information back to the Commissioner for Patents.

I have also included the revised information per Mr. Chin's instruction. It is my hope that with this re-submittal I can finally receive my patent.

I also certify that I am re-sending the completed patent package on June 16, 2006.

Please contact me if there are any questions or additional information required.

Thank you for your kind attention to this matter. My contact information is stated below.

Sincerely

Kevin K Irish
